	<p>Sesame oil: is THE typical Ayurveda Oil used for almost all kind of Ayurveda Treatments! It has a high content of iron, calcium and protein helping to eliminate toxins and waste compounds from the organism and tissue. It soothes the skin and provides it with the moisture it needs.</p> <p>Beside of this sesame oil revolves around removing dental plaque and boosting oral health. By engaging in an activity known as <i>oil pulling</i>, which involves swishing oil around in your mouth, you can boost oral health and even whiten your teeth. One study showcases the oil pulling benefits on the oral level, where oil pulling with sesame oil was shown to reduce the amount of streptococcus mutants in both teeth plaque and mouth saliva, and boost overall health.</p>
