♦ Ingredients and effect	<div>  </div> <p>1. Tea tree oil: is the essential oil of the leaves and twig tips of the tea tree and obtained by steam distillation. It has an antiseptic and anti-bacterial effect, being especially recommended for the treatment of acne, inflammations and wounds.</p> <p>2. Apple juice: has a firming effect on the tissue as well as astringent and clearing properties, making it suited for all skin types. Apples have a high content of polyphenols, vitamin C and vitamins of the vitamin B complex, enhancing the skin's defenses and being therefore highly appreciated as a modern and very effective anti-aging product.</p>
♦ Goes well with	Sage Mint and Honey Neroli facial care products
♦ Skin type	Impure, oily skin
♦ Effects on skin	This light moisturizing fluid provides skin with important nutrients without leaving an oily film and absorbs very quickly.
