♦main ingredients and product benefits	 <p>cacao butter: is a very rich ingredient that contains more than 300 different substances like theobromin, coffein and invigorating ingredients with a slight aphrodisiac effect!</p> <p>Cacao does not only contain ingredients that help lift your mood but also health enhancing substances. Scientists of University Münster, Germany were able to discover and isolate a new group of substances named cocoheal. Cocoheal has a growth enhancing effect to skin cells, triggers tissue repair and wound healing and acts as a wrinkle reducer. This is why we use cacao butter as active ingredient and skin emollient in order to moisturize the skin and prevent skin dryness.</p>
♦ goes well with	any shower gel
♦ skin type	any
♦ psychological effect (scentt)	pampering, bewitching, harmonising
♦ benefits for the skin	<p>Rich cream with nourishing skin care ingredients. Special skincare for dry and very dry skin – the perfect skin protector for velvet skin with long time effect - especially in the cold days of winter time!</p> <p>Tip from the expert: in order to prepare your skin perfectly to absorb all the skin care ingredients remove old skin cells with a creme peeling before applying the body butter onto your skin.</p>
