♦ Ingredients & effect	 <p style="text-align: center;">Cranberries</p> <p>1. Raspberry seed oil: It takes 10 kilos of raspberry seeds to produce only 1 liter of this precious vegetable oil, making it an extremely rare, luxurious and pricy product. Raspberry seed oil has a high content of precious linoleic acid as well as of vitamin A and E. It is considered to be particularly skin-friendly with a minor natural sun protection factor. Raspberry seed oil is especially appropriate for mature skin (30 years and over), leaving it soft and supple.</p> <p>2. Elder and currant hydrolate: A natural and very effective skin moisturizer, making it very appreciated as high-quality anti-aging product.</p> <p>3. Cranberry oil: Is known as a vitamin bomb among the skin oils and fights free radicals. It nourishes, soothes, cares and protects the skin naturally. Particularly suitable for wrinkling skin.</p>
♦ Goes well with	Black Berry, Calendula and Aloe Vera skin care products
♦ Skin type	Dry, mature and stressed skin
♦ Psychological action (scent)	Stimulating, fruity, slightly flowery, vitalizing
♦ Effects on skin	High quality natural anti-aging product with important vitamins, phytohormones, essential fatty acids and a particularly high content of currant hydrolate for a sustainably moisturizing effect.
