

♦ Product name	Lime Oil
♦ Moon phase	-
♦ How to use	Suitable for fragrance lamp and sauna pour-on (perfect in combination with lavender, orange, rosemary, sage and silver fir).
♦ Ingredients	100% pure essential oil of Citrus aurantifolia (lime)
♦ Ingredients and effect	<p>Pure lime oil: is extracted by cold-pressing lime peels. It has a tangy, lemon-fresh aroma with a subtle fruity note. The characteristic fresh and vitalizing lemon aroma of limes has a mood-enhancing, exhilarating and harmonizing effect. Additionally, lime oil has uncramping, antipyretic, antiseptic and disinfecting properties.</p> <p>It can be used to counter high blood pressure and lack of concentration and activates the skin through its slightly astringent effect. Its fruity-fresh fragrance enhances your mood and vitalizes body, soul and mind, which is why we like to use lime oil in bath and body care products that need a fresh and summery note. In soaps and bath additives its antiseptic properties are used to act against bacteria on the skin and help prevent inflammation.</p>
♦ Psychological action (scent)	Fresh, fruity, tangy
♦ Effects on your mind	Mood-enhancing, making your head free and giving your heart and mind wings. With its fresh, cool and powerful fragrance, it also unfolds its vitalizing and concentration-enhancing effect when used as a tangy sauna pour-on (15-30 dr. per l of water) or in a fragrance lamp, filling the air with a fresh and pleasant atmosphere.
