It has stimulating, concentration and mood-enhancing properties and is associated with the third eye chakra. With its fresh, cooling, powerful and clear aroma it is used as a purifying herb to clear skin irritation and regulate excessive sebaceous production. Furthermore it has an antiseptic effect and balances the skin's hydrolipidic film.</p> <p>2. Pure lemongrass oil has the same vibration as the yellow quartz. Concerning the effect the stone and the scent are alike. Lemongrass has an enlightening effect and enhances good mental performances. Therefore we recommend to always carry along when facing tasks or challenges. Put some drops on a hanky and deeply inhale, or in addition, rub your forehead and temples, to grant mental and physical vitality. Also, lemongrass has a disinfecting effect and is therefore commonly used in fragrance lamps or sauna sessions.</p>
