Ingredients & effect	Sweet almond oil: is appreciated since years for its

Orange Blossom

- nourishing properties. Due to its high content of unsaturated fatty acids and linoleic acid, it nourishes and protects the skin and is therefore especially recommended for dry, scaly and sensitive skin. Highly recommendable for allergy sufferers.
- 2. Orange blossom water (neroli): donates skin a natural moisture and restores the natural pH level. It calms the skin and refines the texture. Especially on dry skin it acts cleansing and caring. Orange blossom water has a lovely sweet and fresh scent, it enlightens and dissolves stress.
- 3. Neroli oil: has a calming, and relaxing effect and is therefore very indicated when uffering from anxirety, sleeping disorders and headache, as well as palpitations, tachycardia, and high blood pressure. When used as skin caring product, neroli oil is appreciated because of its caring and regenerating properties. It enhances the cell renewal and the wound healing, and is especially indicated for mature and sensitive skin.

Goes well with	Orange Blossom Shower Gel
Skin type	All
Psychological action (scent)	Fresh, sweet, wonderfully refreshing and stimulating
Effects on skin	Body milk for daily skin care with a unique fruity and tangy scent. With its light texture it absorbs quickly, providing the skin with important vitamins.
