♦ Ingredients & effect	<div data-bbox="226 1144 620 1648" data-label="Image"> </div> <p><b>Birch leaf</b></p> <p><b>Tip from the spa professionals:</b> especially effective as a <b>14 days intensive care program</b> during waning moon / new moon, alternating as follows:  <b>Day 1:</b> Apply Forming Body Balm on problem areas after showering with Detox Shower Salt. <b>Day 2:</b> Take a purifying bath with Seasalt Cleaning Bath or Detox Rasul.  Repeat these two steps <b>for 14 days</b> and be surprised by the result</p> <p><b>Birch extract:</b> is obtained from the leaves and bark of the birch tree. Birch extract is very intensive, since it contains so called vegetable tannins as well as substances including flavonoids and saponins. Furthermore it contains various essential oils that give the extract its intensive aroma. Birch extract has excellent healing properties that are for example used to treat skin irritations. As it also has a toning effect and influences the cell metabolism, it is very appreciated as an anti-cellulite ingredient. Birch extract enhances the decomposition of fat, stimulates the metabolism as well as the lymphatic system.</p>
