Delicate "calming" caring soap with 100% Calendula extract and a touch of pure lavender oil. Highly recommended for dry, cracked parts of skin such as hands, and feet or as a whole body washing soap for very sensitive skin. Matching our caring hand and feet products this hand made soap is the perfect add and represents in its two colored block a nice give away or a highlight to your bathroom.

The production of our nature soaps is carried out ever since the first steps of weighing and mixing the organic raw materials up to the final wrapping exclusively by hand. This process of doing everything by hand is clearly visible in each and every single soap of ours, therefore single pieces may differ in optic or cut ... this however does not equal a loss of quality, but on the contrary emphasizes their uniqueness of the soaps.

The selection of high end organic ingredients is carried out in cooperation with fair trade partners and as far as possible regional. the biggest part of vegetable fats, oils and butter derives from organic cultivation.

Our JUST PURE Soap blocks are made with lots of care in the traditional cold soaping process from stock. this means, that no finished raw soap flakes are used. Through this unique manufacturing process our 260 gr soap block have extraordinary caring, cleansing and regenerating properties, and therefore are also recommendable for facial use.
