♦ Ingredients & effect	<div>  <p><b>Rose quartz</b></p> </div> <p><b>1. Argan oil:</b> has a very high content of scavenger components. Therefore very popular as natural anti aging product. It prevents skin drying and aging and moreover is recommended when facing skin problems such as impurities and acne.</p> <p><b>2. Witch hazel hydrolate:</b> pleasant and flowery scent, reminds a bit of fresh blossoms. As it is very skin friendly, it is recommended even for very sensitive skin.</p> <p><b>3. Healing stone rose quartz</b> is used for meditation due to its intense vibrations. Laid on the solarplexus, it helps rebalance and harmonize thoughts and wishes.</p>
♦ Goes well with	Jewel Sensitive skin care products
♦ Skin type	Sensitive skin
♦ Effects on the skin	Helps regenerate irritated skin (e.g. atopic dermatitis). No fragrances. Contains the healing stone rose quartz.
